Insulated Roller Garage Doors from C&S SHUTTERS

European design and German quality brought to the Irish market

C&S Shutters are Ireland's leaders in the roller door market. We have been pioneers in this industry for over 40 years and now we bring our experience, commitment and quality service to the garage door industry.

This unique product is widely regarded as the best solution when comes to garage doors. Its draft resistance and insulated benefits leaving other roller doors in the cold, giving you:

- Insulated aluminium profiles
- Double brush seals
- Rubber bottom edge
- Smooth and silent in all weather conditions

Classic door 77mm foam-filled slat

Compact door 55mm foam-filled slat

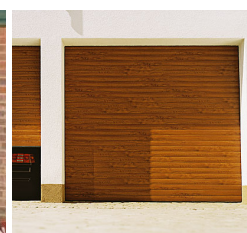

While other doors are making a racket about the weather your roller door from C&S Shutters is still and silent. Included are:

- Automatic locking when fully closed
- Easy operation with hand held remote
- A range of colours and finishes
- Optional extras: photo cells, safety edge and courtesy light

Quality and service no longer has to come at a high price. **We guarantee our price and service will not be beaten.** Our guarantee lasts 1 year but our support is there for a lifetime.
